The screenshot shows a mobile app interface for an event listing. At the top, there is a banner image for "Learn to Sow with Stanley" with the subtitle "Get Out and Garden". To the right of the banner, event dates are displayed: "Event starts: May 1, 2020 10:00 am" and "Event ends: May 1, 2020 12:00 pm". Below the banner is a "Details" section with a navigation bar containing icons for "Get directions", "Share", "Website", "Call now", "Send an email", and "Report". The main content area is divided into sections: "Description" (Join Stanley Woods for a Beginner Gardening Class...), "Location" (A map showing the area around Stanwood, WA, with a location pin and "Get Directions" link), and "Event starts in" (A countdown timer showing 22 days, 19 hours, and 57 minutes). A "Gallery" section shows a photo of a doll. At the bottom right, a red box highlights a floating menu with three options: "Submit Listing", "Edit Listing", and "Help".
